- Question & Answers

*The Olive Branch Training team are very excited to launch their first training event of the year on drug & alcohol addiction.*

*This online event on the 31st of March will be hosted by a very experienced therapist Toni Mason. Toni will facilitate an insightful workshop on working with clients in recovery with addiction.*

*Toni works at ANA, a Residential Rehabilitation Centre that offers detoxification programmes (10-28 days) and addiction treatment (4-12 weeks) abstinence based primary treatment programmes for alcoholism and drug addiction.*

## ABOUT THE GUEST SPEAKER

Toni is a Humanistic-Gestalt trained therapist and has worked at ANA for over 9 years. Toni is very passionate about the work she does there. She is very knowledgeable in her subject area.

Toni's no-nonsense approach enables her to hold a managerial position within the ANA group. She has a boundless energy and an infectious smile. This is certainly a workshop you do not want to miss!
